

Packaging bags for Clothing

Packaging and Gift Supplies

The packaging team LLC is an importer, supplier and distributor of two separate product categories: Retail Packaging and Gift Supplies for the retail trade and Shipping & Packaging Supplies for all industries. Products from both categories can be combined for dollar volume discount promotions. Shipping costs are separate for each category as they are shipped from different locations.

We want to contribute to the success of your business by providing exceptional service along with packaging your customers will appreciate. We can do this at great savings, which goes right to your businesses bottom line!

Retail Packaging & Gift Supplies

Some of the products in this category include: Gift Boxes, Gift Bags, Euro Totes, Twisted handle shoppers, Gift wrapping Tissue, Garment Bags, and more. We import quality retail packaging from China, Vietnam, India, and Canada. We order in container load quantities and receive the best combination of price and quality from our overseas vendors. We then offer these products to the retail trade with very low margins.

Shipping & Packaging Supplies

Products in this category include: Corrugated Cases, Corrugated Mailers, Shrink Film, Stretch Film, Steel Strapping, Tape of all kinds, Tape Dispensers, Mailing Bags, Poly Bags, Mailing Tubes, Labels, Good wrappers, Loose Fill, Foam Roll, and much more! For all products in this category we are a distributor for one of the largest shipping supply buyers in the country. This company only uses distributors like us to sell their products. We distribute over 10,000 packaging products from a state of the art 500,000 sq ft warehouse in the Chicago area. Our prices are very competitive, check them out!
